## **OwlTing Group (NASDAQ: OWLS) Announces 12-Month Lock-Up Extension Supported by SBI and Legacy Shareholders Representing More Than 99% of Subject Shares**

*Extension aims to reflect long-term alignment among core shareholders and is expected to mitigate potential near-term share supply dynamics*

**Arlington, Virginia, United States, April 20, 2026** – OwlTing Group (NASDAQ: OWLS) (“OwlTing” or the “Company”), the operating brand of OBOOK Holdings Inc., a global fintech company, today announced that SBI Holdings, Inc. (“SBI”) and the Company's relevant legacy shareholders, representing more than 99% of the shares subject to the extension, have agreed to extend their lock-up arrangements with the Company for an additional 12 months.

The extension is expected to provide increased visibility into the Company's public float over the coming year and to mitigate the potential for near-term market dislocation that could be associated with concentrated liquidity events. OwlTing believes the extension reflects the sustained participation of its long-term shareholders and their continued alignment with the Company's strategic direction.

“We are grateful for the sustained support from SBI, Mr. Yoshitaka Kitao, and our long-term shareholders,” said **Darren Wang, Founder and CEO at OwlTing Group**. “This alignment reflects a shared long-term view of the Company, and allows OwlTing to stay focused on advancing its global payment infrastructure and executing its compliance-first growth strategy.”

OwlTing's regulatory footprint spans 41 U.S. states<sup>1</sup>, supporting OwlPay, its compliant, cross-border payment infrastructure<sup>2</sup> for global enterprises. Beyond the United States, the Company continues to advance its global regulatory roadmap, currently operating under a Virtual Asset Service Provider (VASP) license in the EU and an Electronic Payment Intermediary Service Provider (Bank API) license in Japan. The sustained alignment of SBI and the Company's long-term shareholders supports OwlTing's continued execution of this global regulatory and business roadmap.
